

Curriculum Map – Years 7 to 9

Assessment and Review for KS4

Prisms and Cylinders

Right Angled Triangles

Area and Circumference π

Statistics

Geometry and Measure

Scatter Graphs

Enlargements

Constructions, Loci and Bearings

Polygons

2-way Tables

Solving Equations

Number

Algebra

Powers and Roots

Fractions, Decimals and Percentages – . %

Algebraic Manipulation x

$S = D/T$

Which Average

Statistics

Geometry and Measure

Mixed Events

Quadrilaterals

Translations

Compound shapes

Parts of Circles

Calculations with Fractions –

Calculations with Decimals

Solving Equations

n th term

Number

Algebra

Indices, Multiples, Factors and Primes

Proportion
