

Laleham Gap Primary Singing Group

Hello lovely singers! I hope you are all well!

Do you feel like doing some singing?

Here are some ideas for singing activities that you could try while you are waiting to come back to school.

1. Warm ups

Remember, it's really important to warm up your voice before you start singing properly.

Here is our warm up, 'Big Bears Like to Dance....'

Here is 'Pop it on the head with a ping pong ball':

And of course, 'Alice the Camel':

Make sure you say 'llama' at the end!

2. Songs to sing!

Now that you are all warmed up, try singing a few songs!

Three Little Birds

Your challenge – watch this video and try to sing along – can you remember the words?

Big Sing Up Mambo

Go to the Sing Up website and sing along to this lovely song that we know so well! You will find it in the list of Songs to Get Moving. There are lyrics here, and also a performance track on the right hand side of the page:

Let me know if you have any problems accessing this!

A New Song!!

How about trying a new song while we have so much time on our hands?

Go to the same page, and look for 'Can't Stop the Feeling' – one to dance to!

<https://www.singup.org/singupathome/songs-to-get-moving>

Again, you will find lyrics here, and also a performance track on the right hand side of the page.

Or, feel free to explore some of the other songs on Sing Up website (in the **Sing up at home** section), and choose one that you like.

I am also posting a song of the week on the website each week, which is always great to sing along to.

I would love to hear from you, so take a video of yourself singing any of the songs and send it to me: music@laleham-gap.kent.sch.uk.

Keep well and keep singing!

Lots of love from Miss Howard
