Going back to school

 I  go to  Laleham Gap School, it  has been  closed for a  long time.

 Now it is  time to  go back to  learning, to  seeing my  teachers

 and  friends. It  might be  different when I  go back. Some of

the  grown up  and  children  might not  be there. I  might

 go to school for a  short  day and I  might  work  in a

 different  classroom.  Playtime and  lunch time  might be  different

 too. If I am  confused or  worried I can  talk to  the  grown ups

I  work  with. The  grown ups will  try  to  help  me.
