

Year 7 Song Diary

Hello year 7! Hope you are all well.

We will have a short break from our Living the Dream project – but please look out for an exciting video **next week**, which I'll be posting up – it will tell you how to compose a special Monster Composition on your ipads or on BandLab!

This week, as a mini project, I would like you to choose a song for each day – starting with today, and then continuing for the rest of the week.

In a **Diary**, a **Presentation**, a **Mind Map** or a **POSTER**, tell me what song you have chosen and why you have chosen it.

Please include the following things:

- *What style is the song? (is it Pop, Rock, Jazz, Rap, Hip Hop, RnB, Dance, etc)*
- *Why do you like it?*
- *What features do you notice? (e.g. instruments, tempo, how the song is put together....)*
- *Images of the artist or band*
- *Any interesting, quirky, extra facts that you can find out about the song or the artist/band*

If you choose to make a poster and you want to draw it by hand, that's fine.

Please email your work to me: music@lgs.kent.sch.uk

There will be Commendations for the best, most interesting and beautifully presented work.
