

Year 8 BLUES RESEARCH

This week, following on from what we have been learning about the Blues in our lessons, I would like you to create a FACT FILE, a Presentation, or an INFORMATION POSTER about the Blues.

It should include:

- Background information about the Blues – the kind of history and facts that we have been learning
- Some examples of famous Blues artists and their songs
- Images
- What you think about the Blues
- Any interesting, quirky, extra facts that you can find out!

Use a laptop and the internet for your research, and for your presentations.

If you choose to make a poster and you want to draw it by hand, that's fine.

Please email your work to: music@lgs.kent.sch.uk

There will be Commendations for the best, most interesting and beautifully presented work.

GOOD LUCK!!
