

Year 9 RAP RESEARCH PROJECT

Hello year 9! This week, following on from our Rap lessons, I would like you to create a **FACT FILE**, a **Presentation**, or an **INFORMATION POSTER** about **Rap**.

It should include:

- The development of Rap since the 1970s – where did it start? What has happened to Rap over the years?
- Some examples of famous Rap artists and their songs
- Images
- What you think about Rap – how does it make you feel? Do you like it?
- Any interesting, quirky, extra facts that you can find out!

Use a laptop and the internet for your research, and for your presentations.

If you choose to make a poster and you want to draw it by hand, that's fine.

Please email your work to: music@lgs.kent.sch.uk

There will be Commendations for the best, most interesting and beautifully presented work.

GOOD LUCK!!
