

# Laleham Gap Secondary Singing Group

Hello lovely singers! I hope you are all well!

I suspect some of you might be wanting to do a bit of singing while we are in Lockdown.

So here are some ideas for singing activities that you could focus on while you are waiting to come back to school.

## 1. Warm ups

Go to the Sing Up website for some great warm up activities. Remember, always warm up your voices before you start singing songs!

Here is the link to the warm up page:

<https://www.singup.org/singupathome/songs-for-virtual-choirs/warm-ups>

## 2. Songs

Practice singing **Mamma Mia** and **What Makes You Beautiful**, the two songs that we were focusing on before we stopped school.

Listen to the full songs first on youtube, to refresh your memories.

Once you have done this, you can use these Karaoke tracks to sing along to:

Mamma Mia: <https://www.youtube.com/watch?v=NcBBH6juEUl>

What Makes You Beautiful: [https://www.youtube.com/watch?v=nT\\_V9acLRS8](https://www.youtube.com/watch?v=nT_V9acLRS8)

## 3. I Can See Clearly Now

I thought we could also start a new song while we have so much time on our hands! Have a look at , which is a really beautiful song that some of you might already know.

On the Sing Up website you will find the lyrics, the backing track and the performance track for this song.

Go to this page: <https://www.singup.org/singupathome/songs-for-virtual-choirs/unison>

There is a list of songs on this page – scroll down until you find the right one. On the right hand side of the page you will find the performance and backing tracks. You just have to select the right one and press **play**.

Let me know if you have any problems accessing this!

And if you like, take a video of yourself singing any of the songs and send it to me: [music@laleham-gap.kent.sch.uk](mailto:music@laleham-gap.kent.sch.uk).

Keep well and keep singing!

**Lots of love from Miss Howard**
