

GCSE Art and Photography exhibition 2023

Students from the GCSE Art, Craft and Design and Photography courses held an exhibition of their work at the Wooden box gallery in Ramsgate from the 5th to 9th of July. Many people visited the gallery including families and students, staff both current and past and members of the public. The feedback was extremely positive and highlighted the diversity and range of work created by our students. We are very proud of their achievements and look forward to next years exhibition.
