

The Student Council newsletter

Hi everyone,

This week we have reflected on habits that have changed because of Lockdown. As Lockdown eases we want to keep habits that are better for our environment.

Secondary Student Council 😊

This week's Council Challenge:

Reduce
Reuse
Refill
Recycle!

Planet Earth needs less waste and more sparkle.

One reusable SodaStream carbonating
bottle can save up to 1282 single use
plastic bottles from our planet per year.

Question your shopping habits.

How can you **cut down** on plastic and waste?

Visit one of our **local** refill shops!

Chloe created this miniature garden from things at home...

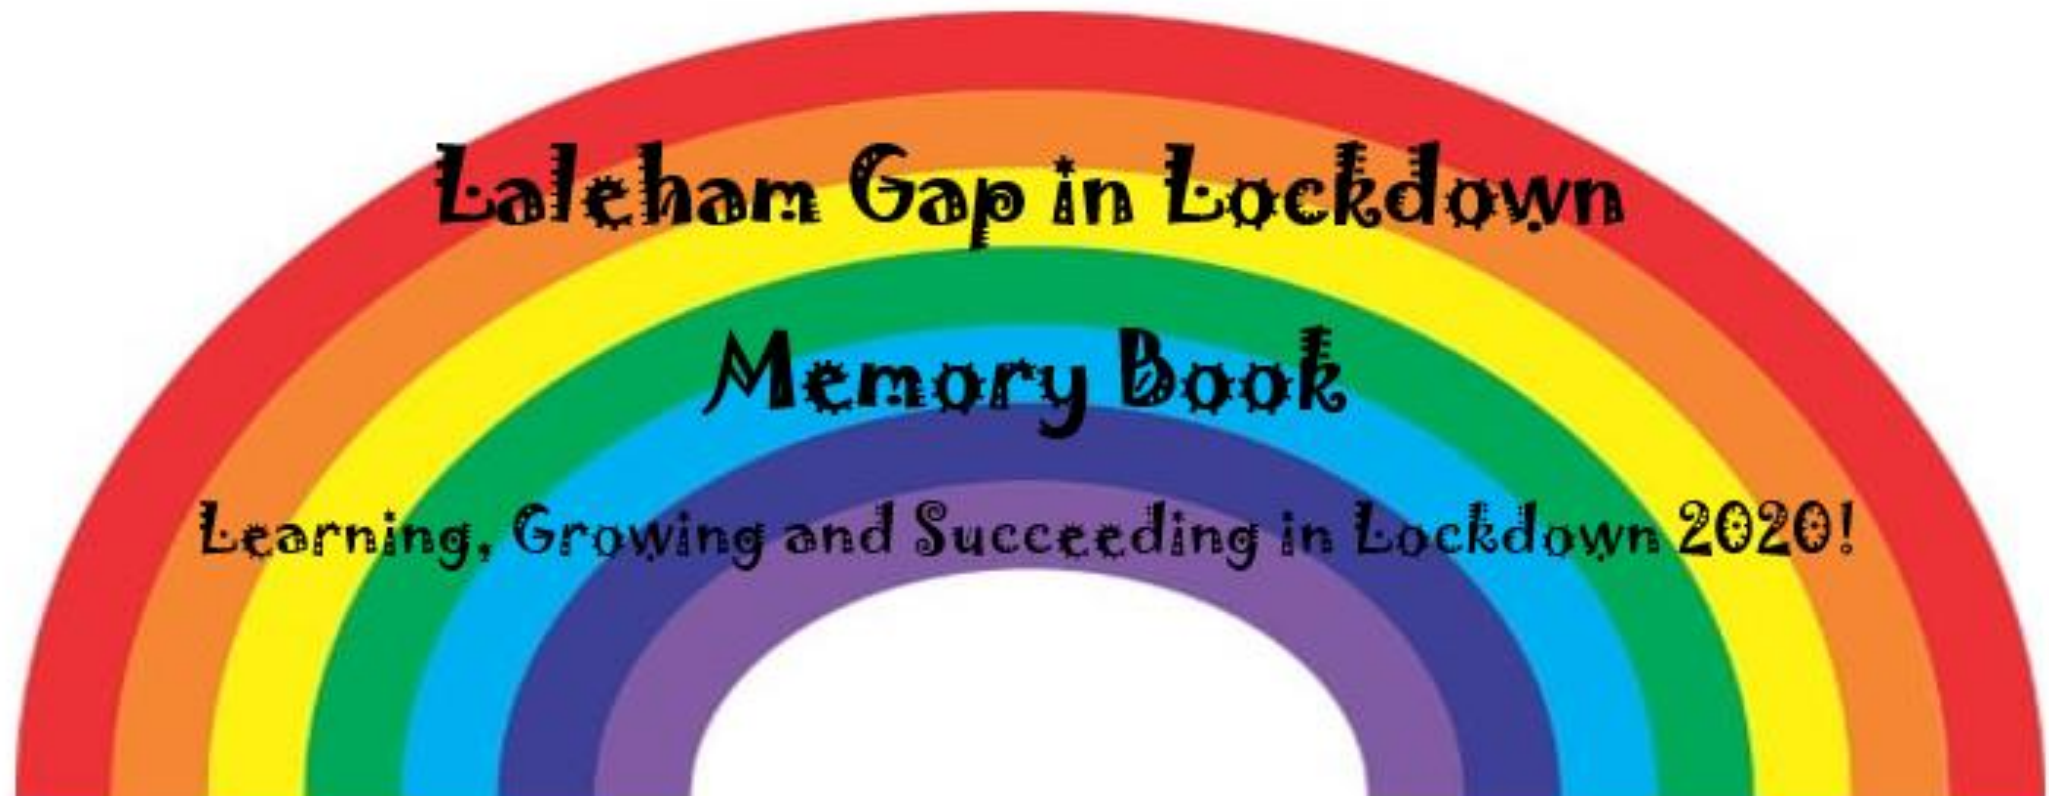

To help us all REFILL ...

Student Council Water bottles should be arriving soon!

Remember to write your name in permanent marker!

If you would like to share anything that you've **achieved** or **overcome**, anything **you feel proud** of, email: denise.jackson@laleham-gap.kent.sch.uk or svetlana.maclaren@laleham-gap.kent.sch.uk

Concerns for the Council

The Student Council are here to listen and help find answers to questions or worries you may have.

Just email us at: lgs.council@laleham-gap.kent.sch.uk

Some pupils are finding it hard to adapt from relaxed informal school to the new timetable.

Everyone's priority is our emotional and mental health. Regular check-ins using the zones of regulation will help us create space for appropriate wellbeing activities/techniques throughout the school day.

Everyone can take learning breaks with an agreed activity e.g. walk outside, drawing, listening to music.

Why not bring in your headphones so it is easy to have a break without disturbing the learning of others?

Pets' Corner:

Ms Nicol's cat Kevin was happy to pose.

Although Milo is a bit embarrassed of his Lockdown weight gain. Having mum at home means all-day access to the fridge!

Mrs James' dog Meg - and her puppy sidekick Bella

If you would like to
share a photo of your
pet(s) or story about
your pet(s) just email
