

The Student Council newsletter

Hi everyone,

We may not have our usual end of year events but it is great to see our pods grow and everyone enjoying each other's company safely! Socially distant football, cycling and badminton have been really popular this week.

Stay safe,
Secondary Student Council 😊

This week's Council Challenge:

Try developing a new skill!

It could be ironing, making a hot drink or doing some washing.
Let's help around the house!

Concerns for the Council

The Student Council are here to listen and help find answers to questions or worries you may have.

Just email us at: lgs.council@laleham-gap.kent.sch.uk

Pets' Corner:

Ms Bowen's dog Bessie:

If you would like to share a photo of your pet(s) or story about your pet(s) just email the Secondary School Council:

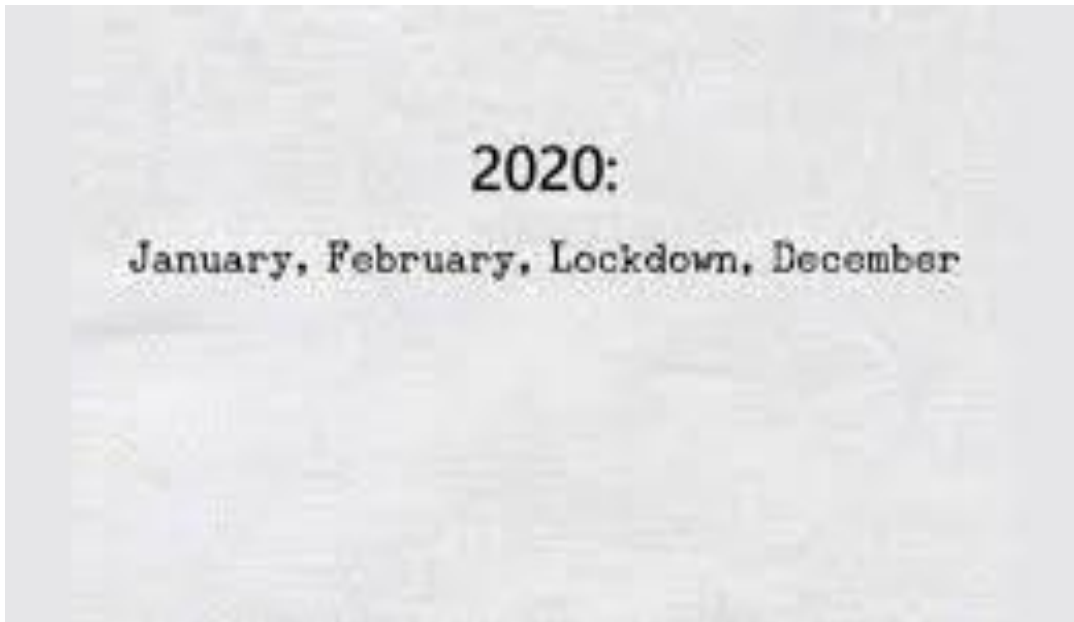

lgs.council@laleham-gap.kent.sch.uk

Modelling my Covid-19 haircut by Mum!

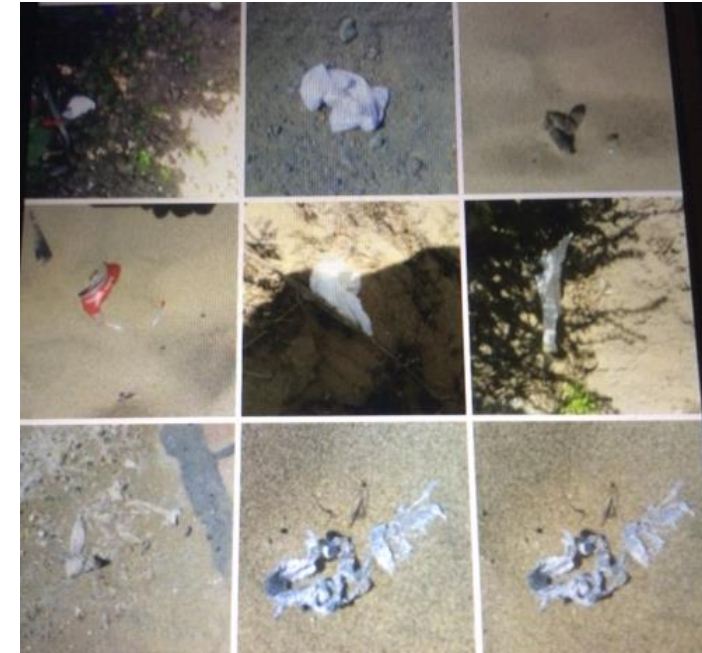

Lockdown Laughs!

Send in your favourite memes or photos that have made you laugh and kept you sane!

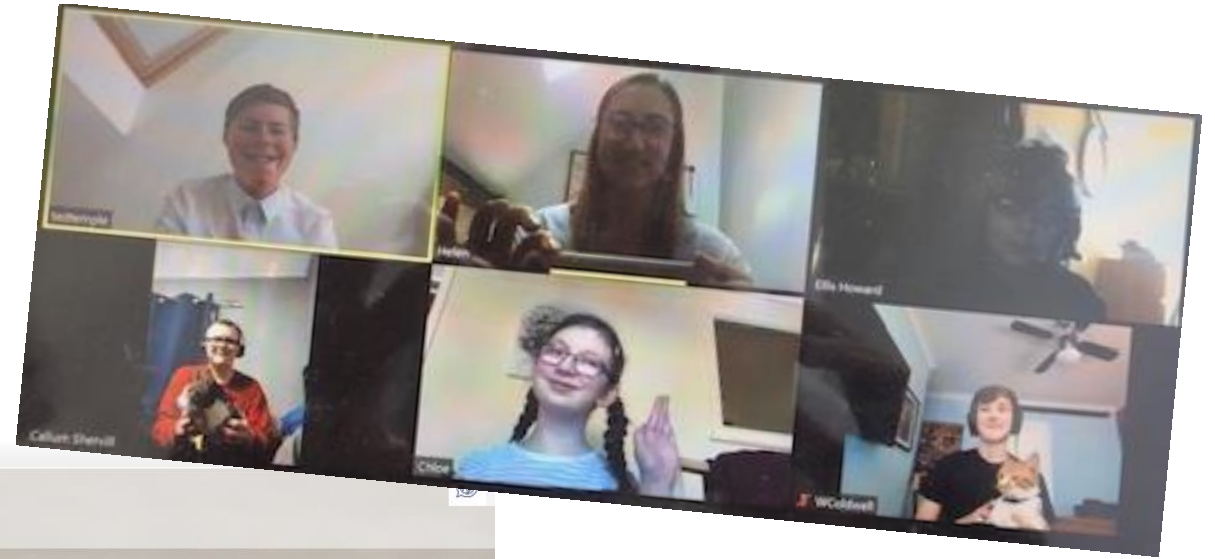

"A reminder for everyone,
If you are going down on the beaches along with some food and drink,
please remember to take your rubbish with you.

Thank you for your time."

- Ted

Look at the updates on the
'Learning from Home'
section on the school website.

<https://www.laleham-gap.kent.sch.uk/learning-from-home/>

A screenshot of the Laleham Gap School website. The header features the school's crest and name, 'Laleham Gap School', with the tagline 'Learn Grow Succeed'. Below the header is a 'MENU' button. The main content area is titled 'Learning from Home' and includes a breadcrumb trail: 'Home >> Learning and Teaching >> Learning from Home'. A paragraph states: 'This page will hopefully help pupils and parents/carers with some ideas for learning and information needed to be passed on to pupils whilst not being able to attend school.' Below this is a section for 'Accelerated Reader (AR) Logins' with a link to 'click here'. The central part of the page displays a grid of icons representing various subjects and departments: Creative Art Department (palette), Computing (laptop), English (book), Food Technology (gear), PE (bat and ball), Learning for Life (sun and clouds), Maths (calculator), Music (musical notes), Primary (rainbow), Science (test tube), Weekly Brain Teasers (star), Wellbeing (sun), and Year 10 BTEC Sport (soccer ball). The background of the website features a large image of school children running on a grassy field.

We'll be in touch again soon.

Final thoughts:

**Here's to learning new ways
to learn and relax as
'Peas in a Pod'...**
