Dear Parents and Carers,

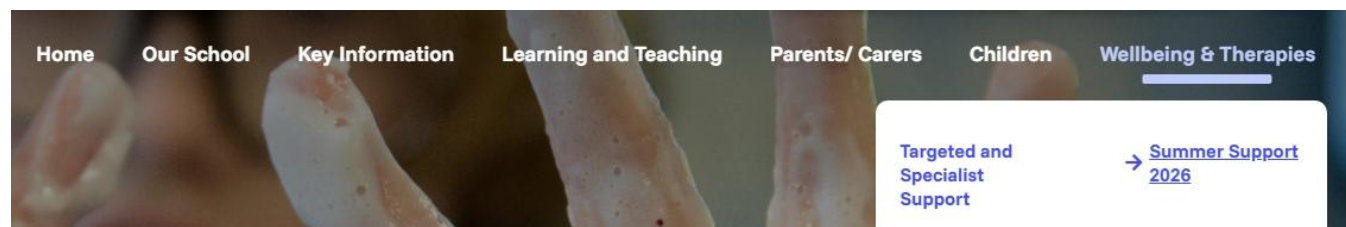

Re: Updates and Summer Support

We are writing to you to share a few important school updates and to provide you with our wellbeing and safeguarding support information for the Summer break.

New School Website

Our designers have finished the new school website. We are working to migrate our data and update relevant sections ready for the new academic year. This will go live during the Summer Holiday and will replace the existing site. The new site is already looking more welcoming and easier to navigate.

Please note, when the new site goes live you will be able to find the summer support information by highlighting 'Wellbeing and Therapies' on the navigation menu. Summer support should appear near the top. The screen capture below shows where to find this:

Holiday Safeguarding and Wellbeing Support

We recognise that while holidays can offer a wonderful opportunity for families to spend time together and we wish you the very best for the Summer, we also know that a change in routine and a reduction in familiar school structure can sometimes present challenges for parents, children and young people.

To ensure you have access to help should you need it, we have attached our Summer Safeguarding Support flyers (with separate versions for parents and young people) detailing various external services who may be able to support you while the school is closed.

You may also be able to find support and information regarding activities in the local area from your Local Family Hub.

Please note that school staff will be taking time to recharge during the break and will not be available to respond to urgent safeguarding concerns.

- **Non-urgent matters:** You can email DSL@lgs.kent.sch.uk, which will be checked periodically over the holiday.
- **Immediate mental health support:** Please contact NHS 111 (Option 2).
- **Additional resources:** Details of the Local Offer, mental health support, and crisis lines are available at <https://www.lgs.kent.sch.uk/topic/wellbeing> and under the 'Crisis Support' tab on the school homepage.

If you or your child are ever in immediate danger, ring 999.

We would like to thank you for your continued partnership in helping us keep our school community safe and well. We wish you and your family a peaceful and rejuvenating break.

Yours sincerely,

The Wellbeing and Therapies Team
On behalf of all staff at Laleham Gap School
