

Laleham-Gap Science Department's Learning Journey

Primary Science by Key Stage

KS3+

Earth and Space Properties of Materials Electricity and Circuits Scientists and Inventors

Upper KS2

UKS2

Forces and Machines Evolution and Inheritance Classification The Body and Circulatory System

Sound and Vibration Electricity Rocks States of Matter Scientists and Inventors

Lower KS2

LKS2

Forces Living Things and Their Habitats Plant Parts and Life Cycles Digestion and Food Chains

Seasonal Changes Uses of Materials Scientists and Inventors

KS1

KS1

Living Things and Their Habitats Plants Animals Including Humans

Animals Weather and Seasons Plants and Growth How Things Work

EYFS

EYFS

Using Our Senses Exploring and Creating with Materials The Natural World
